PROFILE

I'm a Designer with over 10 years of experience in UI/UX, Graphic Design and Web Development. I have a strong foundation in typography/calligraphy, UX/UI and brand identity, developing and managing projects, such as apps, web pages, landing pages, presentations, design systems and brand guidelines, utilising Adobe CC and Figma. Also studying and developing in the web development field.

EXPERIENCE

Turn Trust, London (UK) - *Designer*

March 2023 - November 2024

I worked as a Designer developing visual solutions for the website and events promoted by the company, also developing material for the Cafe branches around London.

Estúdio Fosco, Remote - *Designer Freelance*

July 2021 - February 2023

I worked developing projects for diverse clients from different industries.

BRA Design Studio, Remote - *Art Director*

July 2020 - August 2022

I worked developing: Digital and offline projects for many clients such as Ceratti, Cargill, Lactalis, Verde Campo, Vigor, BRF and others.

Bora Lifestyle, São Paulo (BR) - *from Intern to Design Leader*

July 2016 - August 2022

- I managed a team of designers and coordinated e-commerce operations using SaaS/Cloud based companies like VTEX/Linx/Magento/Eccosys.
- Led QA testing, troubleshooting, and solution implementation for e-commerce systems alongside with the developers, monitoring user's journey and A/B testing.
- Boosted website revenue by improving SEO, marketing strategies, and marketplace integrations (Amazon, Netshoes, B2W, Magalu, Dafiti, Mercado Libre) - B2B Negotiations.
- Collaborated with developers and marketing teams to optimize UX, website performance, and traffic using data analysis and CRO techniques, also being part of campaigns management and creation.

All Doctors, São Paulo (BR) - UX/UI Designer

Janeiro 2017 - Agosto 2018

I was a Freelance UX/UI Designer for this startup from the same group of Bora Lifestyle. Developing landing pages, icons, wireframes, prototypes.
